To whom it may concern,

It is with great pleasure I write this recommendation for **Johannes Johnström**.

Johannes has been my student at Boulevardteatern's drama school (Stockholm) in 2011 and 2013, following the course of *Platform Theatre*. I have seen him work in classes of mime, mask, voice, devising & physical theatre, as well as assisted him in directing his solo material after school termination.

Mr Johnström is a highly skilled mime artist and a generous performer. Always working with enthusiasm & great discipline, he inspires the colleagues in collaboration. He has shown to courageously take on the challenges of the unknown, as well as to have a big passion for performing art, both as actor and creator.

Which is why I recommend him for the project in question and to whom it may concern.

Should you have any further questions, please feel free to contact me.

Yours sincerely,

Svetlana Biba
